To play Pony League this year,
you must have been born between
September 1st, 2004 and August 31st, 2006

Because of an age change in the national organization, there is a group of players born between May 1st, 2004 and August 31, 2004 who are not included in the above registration dates and would only have 1 year of Pony League experience.. These players will be allowed to participate in the Bay County Pony League this year, but will not be able to participate in National Tournament play. Please contact Ritchie Clayton to register these players. They may run through the normal registration process.
