**Personal Headphones - are available from the office for \$4.00 (replacements or new students)		

Note:

Please do not purchase Trapper Keepers. These items do not fit in the students' desks along with their books, folders, and other supplies.

****We have purchased individual headphones for our students. We are planning on the headphones lasting several years, but by 4th grade they may be ready to be replaced. If your student had them last year, the same headphones will be available this year. As an alternative, students may bring in earbuds.**

We have cut down the supply list this year. However, if we find we are low on certain items, we may make a request later in the year.
