

Setting Score Method

1. The first time you open your gradebook for your class, it will prompt you to select a Score Method.

Home Teacher Access EA+ Classic View

Category Maintenance

Score Method
Grades based on percents assigned to Categories by Grade Period
Total Percent Allocated for Current Term of Term 1: 100%

Choose a Score Method

The Score Method for this Category Group has not been saved and is being defaulted to "Base grades on percents assigned to categories by Grading Period" by the District. In order to have a valid Category Group you must save the Score Method by clicking the "Choose a Score Method" button.

2. If using categories, select the third option.
