"HOME OF THE DUKES"

March 28, 2018

Dear Senior and Parent(s) of Senior:

As we are all aware, graduation is fast approaching. This letter should assist you in planning for this important event.

The graduation ceremony is an important time for the students, their families, the school and the community. We all want the occasion to be dignified and memorable in a positive way. Therefore, we are asking for your cooperation with the following policy. Along with the cap and gown, men must wear a 3-button collared shirt or dress shirt with a collar, dress slacks, and dress shoes. Ties are encouraged but not mandatory. Ladies should wear a dress or dress pants and dress shoes with their cap and gown. Tennis shoes are not appropriate for the commencement ceremony. In addition, graduation caps cannot be altered or have any writing on them. Seniors who ignore these regulations may be denied the privilege of participating in the graduation ceremony.

The school district, on behalf of the community, is also asking that parents encourage their seniors to treat the graduation ceremony with respect. Demonstrations or distractions by seniors or spectators would detract from the ceremony. Thank you in advance for your cooperation.

It is important that seniors' school obligations be fulfilled before graduation day. Please take care of any outstanding financial responsibilities and see to the return of school equipment, library materials, athletic uniforms, industrial education equipment, textbooks & Chromebook; as this could result in the student not receiving their diploma.

Please note if there is inclement weather on Thursday, May 31st and on the make-up date Friday, June 1st we will move the ceremonies into the auditorium. Seating is limited therefore each graduate will be given five tickets. There will be overflow seating in the cafeteria for extra family members.

Garber High School congratulates not only graduating seniors, but their parents as well. Raising a child and graduating a young man or woman from high school is a fine accomplishment and something for which parents should be justly proud.

Please see the reverse side for a calendar of important dates and events.

Tim Hoffman
Principal

Suzanne Brown
Assistant Principal

MISSION STATEMENT

"In partnership with students, parents, staff and community, our Essexville-Hampton Public School District mission is to create a collaborative environment that encourages every learner to reach his or her unique potential. We strive for academic excellence and promote student development through the arts, athletics and various co-curricular activities to foster a culture of discovery and achievement
